

# HONEYWELL GENERATOR TRAINING FOR CONTRACTORS

Profit Generator 1.0 Residential Standby

**Grow your business by learning how to size, sell, and install generators to your customers!**

Course Description: Hosted by your local Electrical Wholesaler and Honeywell Generator Sales Representative. In this introductory class you will learn how to size, sell and install generators for your customers. If you've been asked by one of your homeowners to sell and install a home standby, this is the first class you'll want to attend.

## AGENDA OF TOPICS:

- Residential Market Overview
- Site Preparation
- Fuel Considerations
- Back Up Options
- Transfer Switch Connections
- Generator Connections
- Operational Tests & Final Steps
- Sizing the Generator: NEC 220, Part IV

## REGISTER TODAY!

Fee is per person. Includes all training materials. Participants receive a learner's guide and sizing guide.
